360 x 555mm

465 x 655mm

550 x 720mm

## SUPER TOUGH

Fabricated from 2mm powder coated mild steel with chromed components and quality fixings so it's built to last.

## FLEXIBLE

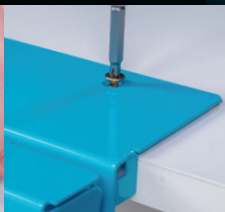

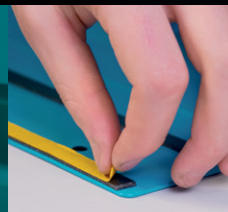

The unique design allows you to switch bag sizes - quickly and easily. Simply flip the front cover and adjust the locator pin to the desired location.

## EASY

Two strong magnets secure the front flap, preventing excess bags from being removed once the bag is filled.

## Really easy to fix to your packing stations

GRIP® Mailer comes complete with various fixing solutions for a multitude of work station surfaces.
